**Services Provided:** Vocational Rehabilitation Services

We assist people with disabilities in preparing for, finding, and maintaining quality employment that pays a living wage and offers opportunities for advancement. Our staff work closely with state, regional, and local employers, offering individualized placement services that bring employers and qualified employees together.

Home Services

We provide services to individuals with the most significant disabilities so they can remain in their homes and live as independently as possible. Our customers are empowered to live self-directed lives, be actively involved in their communities, and retain control over the services they receive.
